Adult Study— “Facing Islam Without Fear: A Christian’s Guide to Engaging the Muslim World”

In this study, Patrick Nachtigall, the author, introduces the basics of the Islamic faith, explains the underlying reasons of Islam’s current instability and does not shy away from discussing the militancy found in many forms of Islam. Geo-political tensions, the terrorist threats, and Christian revivals among Muslims are discussed as the book prepares Christians to engage Muslims, free of stereotypes but with a realistic view of how Christianity differs from Islam.

This small group study begins on **June 12th**. The facilitator for this small group is Jeanette Relaford. Sign up today at the table in the lobby.

Wednesdays-6:00pm-Room #20
Adult Study— “Glory Days” by Max Lucado

Need more energy? You have it. More kindness? It’s yours. Could you use some self-control, self-discipline, or self confidence? God has already given them to you. You just need to claim your inheritance. So leave every “I can’t” behind you. Set your “God can” ahead of you. It’s time to enter your Glory Days.

If you are interested in attending this small group, facilitated by Pastor Greg, please sign up in the front lobby. The study begins on **Wednesday June 8th, 6:00 p.m.**
